The form of the letter requesting action under Sec. 17 of the L. A. Act is misleading since there is no necessity for taking action under the said section as the preliminary notification has been issued. I am also to request you to be so good as to state whether, in this case, the local V. P. has paid anything towards the land acquisition to make it legally valid, and if not, to get a nominal sum of Re. one at least credited out of the V.P. funds. It is to make the payment to get the final declaration of the Gazette.

The connected records are retransmitted herewith for reference and return.
